

Brainstorm & idea prioritization

Personal Expense Tracker

10 minutes to prepare

1 hour to collaborate 2-8 people recommended Define your problem statement

What problem are you trying to solve? Frame your problem as a How Might We statement. This will be the focus of your brainstorm.

Problem

How might will it provide great reliability and safety?

How might will it provide fewer maintenance delays?

How it will be alert the vehicle to the emergency time?

How it will provide help for better road safety?

Awareness

Take turns sharing your ideas while clustering similar or related notes as you

go. In the last 10 minutes, give each cluster a sentence-like label. If a cluster

is bigger than six sticky notes, try and see if you and break it up into smaller
